PRESS RELEASE

DATE: December 18, 2015

FROM: Mayor John McNally 

SUBJECT: CITY OF YOUNGSTOWN FIXED RATE FOR NATURAL GAS PROGRAM

The Mayor's Office has received inquiries regarding the current rate for the City's aggregate natural gas program. The City's current supplier is IGS Energy with a rate of **\$4.315 per Mcf** which runs through **October 2016**.

Some of our residents have been contacted about lower natural gas rates offered through other companies (either through direct person-to-person or mail solicitation contact.) Under the City's agreement with IGS, a customer has the right to "opt out" of the IGS program. If a customer decides to "opt out" of the City of Youngstown's Natural Gas Program, they can do so free of charge by contacting an IGS Energy representative directly at 1-800-280-4474.
