ADVERTISEMENT FOR BIDS

The City of Youngstown is formally soliciting bids for:

2016 CITY WIDE RESURFACING PROJECT

In the City of Youngstown, Mahoning County, Ohio, the Director of Finance will receive sealed bids for the above referenced project until 12:00 noon, local time on **MONDAY, JUNE 6, 2016** at the Office of the Director of Finance, Third Floor, City Hall, Youngstown, Ohio, and publicly opened and read aloud at Council Chambers, Sixth Floor, City Hall, Youngstown, Ohio, immediately thereafter for furnishing material and performing the labor for the execution of the above mentioned project.

Plans, specifications, and bidding forms are on file at the office of the **Director of Finance for the City of Youngstown, Third Floor City Hall**, where they may be obtained for a fee of **Twenty Five (\$25.00)** which is non-refundable.

The Board of Control reserves the right to reject any or all bids and to waive any informalities in bidding.

Each bidder will be required to complete and file with his/her bid, a Proposal Guaranty and Performance/Payment Bond (O.R.C. Section 153.571) contained in the contract documents, with a surety company executing the bond. The surety company must be listed on the Treasury Department's most current list (Circular 570 as amended), and must be authorized to transact business in the State of Ohio.

If the bid is accepted, the successful bidder shall enter into a contract with the City, and the Proposal Guaranty and Performance/Payment Bond shall provide the conditions in said bond, which include those as listed below:

A Bid Bond of (10%) of the total amount bid, as a guarantee that in the event the bid is accepted, and the contract awarded to the bidder, said Bond shall convert to a (100%) Performance/Payment Bond, assuring that the contractor will perform the work upon the terms proposed, within the time specified, in accordance with the plans and specifications; and conditioned for the payment by the contractor and all subcontractors for labor performed and materials furnished in connection with the Project.

Bids of corporations not chartered in Ohio must be accompanied by proper certification that the corporation is authorized to do business in Ohio.

The Bidders attention is also called to the conditions of construction, and the wage rates required to be paid under this contract. The successful Bidder is required to pay at least the pre-determined minimum wage rates as set forth in the contract documents.

This contract is subject to the provisions of the President's Executive Order 11246, to the City of Youngstown Ordinance numbers 547.21, 547.23, and 547.28, and the Governor's Executive Order of January 27, 1972.

A Bidder/Contractor will be deemed committed to the goals of the Youngstown Bid Conditions by submitting a properly signed bid. All bidders must fill in all of the blanks on the proposal forms in ink, or typewritten. The entire Contract Book must be submitted intact with the bid.

Each Bidder must insure that all employees and applicants for employment are not discriminated against because of race, color, religion, sex or national origin.

For the convenience of prospective bidders, a Pre-Bid Conference is scheduled on Wednesday May 25, 2015 at 11:00 A.M. at the Fifth Floor Engineering Department Conference Room, Fifth Floor, City Hall building, Youngstown, OH.

No bids may be withdrawn after the scheduled closing time for receipt of bids for at least Sixty (60) days.

THE CITY OF YOUNGSTOWN
DAVID BOZANICH
DIRECTOR OF FINANCE

GENERAL CONDITIONS
AND
INSTRUCTION TO BIDDERS
CITY OF YOUNGSTOWN, OHIO

CONTRACT DOCUMENTS:

The documents covering the performance of the project include the Advertisement, Instructions to Bidders, Proposal, Proposed Contract, Contract Bond or Bonds, Sections 5 through 9 of this document, Standard Specifications and when applicable Supplementary Specifications, Contract Drawings, Addenda, Plans, Change Orders and Subsidiary Agreements which may be entered into, all of which documents are to be treated as one instrument whether or not set forth at length in the form of a contract.

STANDARD SPECIFICATIONS:

As amended by this document, or the Charter of the City of Youngstown, the State of Ohio, Department of Transportation Material Specifications dated January 1, 2013, shall be deemed as Standard Specifications and are an integral part of the Contract Documents relating to construction under this contract and subject to additional supplementation and/or amendment in Supplementary Specifications hereto attached. The Standard Specifications contain the General Provisions, Detailed Provisions and Item Specifications.

The City of Youngstown Standard Specifications for Sewerage Systems as revised, dated January 1957, shall be the only exception to the Standard Specifications as required above. The City of Youngstown Sewerage Specifications shall be used only when the proposal and Contract Documents consist of sanitary sewers, storm sewers and combination sewers. All sewer work, which is incidental to other types of projects, shall be constructed in accordance with the State of Ohio, Department of Transportation Material Specifications.

All item numbers contained in the proposal refer to appropriate item numbers in the specifications. Items in the specifications not included in the proposal are not to be considered as part of this contract except as specifically referred to in the specifications.

BIDDING PROCESS

The Deputy Director of Public Works shall supervise and administer the bidding process, and shall provide such supplemental information to bidders as is necessary and appropriate. Upon receipt of all bids, the Deputy Director of Public Works shall review the bids and present to the Board of Control his recommendation for contract award. After the Board of Control makes its determination and enters into a contract for the Project, the Deputy Director of Public Works shall supervise and administer such contract, and shall make all decisions regarding actions on change orders and other construction contract changes.

Instructions to Bidders (continued)

BILLING

Any bills submitted for payment shall be submitted to, and promptly reviewed by the Deputy Director of Public Works or his designee. If the Deputy Director of Public Works recommends payment, the bills will be processed by him for payment by the City.

PLANS AND SPECIFICATIONS:

Bidders are advised to carefully examine the Contract Drawings and Specifications for the proposed work. The Contract Drawings show the surface and underground structures likely to affect the performance of the work, insofar as they have been determined, but the information shown is not guaranteed as being correct and complete. Bidders are expected to examine the Contract Drawings, the location of the work, and the location of the work underground, and judge for themselves all of the circumstances affecting the cost of the work or the time required for its completion.

CITY OF YOUNGSTOWN INCOME TAX:

The Contractor shall be responsible for deducting City of Youngstown income taxes from the salaries, wages and other compensation of all employees hired by him to perform the duties covered by this contract. The Contractor shall also be responsible for filing the reports and making payment to the Director of Finance of the City of Youngstown, Ohio, such income taxes withheld, in accordance with the City of Youngstown Income Tax Rules and Regulations.

The Contractor shall submit to the City of Youngstown, Ohio, his records, for auditing purposes, upon the request of the Director of Finance of the City of Youngstown, Ohio, and the Contractor shall be responsible for paying the City Income Tax based on the portion attributable to Youngstown of the net profits earned from sales made, work done or services performed or rendered under this contract, whether or not the Contractor has an office or place of business in Youngstown.

The Contractor shall comply with all other applicable provisions of the City of Youngstown Income Tax Ordinance and Rules and Regulations issued there under.

The Director of Finance is hereby authorized to withhold payment of any amount due under the terms of this contract until the applicable provision of the City Income Tax Ordinance and Rules and Regulations issued there under have been properly complied with.

Instruction to Bidders (continued)

BIDDING REQUIREMENTS AND CONDITIONS:

ITEM 102.01 PREQUALIFICATION OF BIDDERS

All contractors expecting to bid who are not currently pre-qualified with the Ohio Department of Transportation, shall, upon the request of the Deputy Director of Public Works, file a confidential financial statement and experience questionnaire within three (3) days after the receipt of bids by the City of Youngstown for this project. The questionnaire shall be in accordance with 5525.02 to 5525.09 inclusive, ORC and Rules and Regulations for qualification of Bidders promulgated there under (foreign Contractors-See 5525.18 ORC and Rule VIII of above Rules and Regulations).

The above requirements and conditions shall be in conformance with the State of Ohio, Department of Transportation Material Specifications, dated January 1, 2013.

Further, the pre-qualification of bidders as outlined above, applies only to contracts in excess of \$50,000.00 and only the scope of work, which is covered in the above mentioned specifications.

ADDENDA AND INTERPRETATIONS:

No interpretations of the meaning of the plans, specifications or other contract documents will be made to any bidder orally. Every request for such interpretation should be in writing, addressed to the Deputy Director of Public Works at City Hall, Youngstown, Ohio, and to be given consideration must be received at least six days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed by registered mail with return receipt requested (at the respective addresses furnished for such purpose), to all parties of record as having taken out a full set of plans and specifications, not later than four days prior to the date fixed for the opening of bids.

Failure of any bidder to receive any such addendum or interpretation shall not relieve the bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the Contract Documents.

CONDITIONS OF WORK:

Each bidder must inform himself fully of the conditions relating to construction and labor under which the work is now being or will be performed. Failure to do so will not relieve a successful bidder of his obligation to furnish all material and labor necessary to carry out the provisions of the Contract Documents and to complete the contemplated work for the consideration set forth in his bid. Insofar as possible, the Contractor, in carrying out his work, must employ such methods or means as will not cause any interruption of or interference with the work of the City or any other contractor, or infringe on the rights, safety and convenience of the Public.

Instruction to Bidders (continued)

EXAMINATION OF SITE:

Each bidder shall, and is hereby directed to inspect the entire site of the proposed work and judge for himself as to all the circumstances affecting the cost and progress of work and shall assume all patent and latent risks in connection therewith.

SOIL CONDITIONS:

Subject to the convenience of the City, prospective bidders will be permitted to explore the site by making borings or digging test pits. In such event, the work shall be done at the sole expense and risk of the bidder, and he shall maintain and restore the site to the original conditions.

The City of Youngstown does not guarantee the accuracy of any information or samples which it may have obtained from test borings or otherwise as to the kind or condition of the soil that may be encountered in the performance of the proposed work, neither does the City of Youngstown represent that the plans and specifications drawn are based upon any data so obtained.

The City of Youngstown does not make any representation as to the soil conditions to be encountered or as to foundation materials. The Contractor must assume all risk as to the nature and behavior of the soil which may be encountered or of soil or water which underlies the work or is adjacent thereto, including any difficulties that may be due to quicksand or other unfavorable conditions that may be encountered in the work, whether apparent upon surface inspection or disclosed in the process of carrying forward the work.

WATER SUPPLY

All water for construction purposes, as well as the expense of having water conveyed about the work, must be provided by the Contractor and the cost of this work shall be included in the unit or lump sum prices stipulated for the various items of the work to be done under this contract.

In case the Contractor desires to obtain water from fire hydrants located along the site of the work, or from mains constructed under this contract and properly connected to the public water supply system, he may obtain such water but subject to all established charges and regulations. The source, quality and quantity of water furnished shall at all times be satisfactory to the Engineer.

WORKING FACILITIES:

The plans show, in a general manner, the existing structures and the land available for construction purposes. The bidders must satisfy themselves of the conditions and difficulties that may be encountered in the execution of the work at this site.

Instruction to Bidders (continued)

OTHER CONTRACTS:

Bidders are advised that work, other than that specified in, or relating to this contract may be in progress at the project site during the performance of the work herein. Accordingly, bidders are warned that use of the site must be such as to avoid interferences.

PERMITS:

The Contractor shall take out all necessary permits from municipal or other authorities, and shall give all notices required by law or municipal ordinance. The charge or fee for any permit issued by the City of Youngstown shall be borne by the Contractor.

WAGE RATES:

See the requirements set for in Section 5 of this document.

Insofar as possible, local labor shall be employed on this work.

The contractor shall not engage in any conduct defined as unfair employment practice in Section 39.3 of the Revised Ordinance of the City of Youngstown 1952 (formerly Section 3 of Ordinance No. 51948) and the contractor shall insert a similar provision in all of his sub-contracts

REQUIRED INSURANCE:

In accordance with the specifications, the contractor, without restricting the obligations and liabilities assumed under the Contract Documents, shall at his own cost and expense purchase and maintain in force until final acceptance of his work, the forms of insurance coverage listed in the Insurance Requirements at the end of this section.

PREPARATION OF PROPOSALS:

Each bidder must submit a bid for each and every item of the proposal submitted, the amounts to be typed or printed clearly in figures, and failure to do so will render his bid irregular and subject to rejection. Conditions, limitations or provisions attached by the bidder to the proposal may also cause its rejection. If a bidder enters a unit price of ZERO dollars for any bid item, then the bid will be considered unbalanced and will be withdrawn from consideration.

Proposals must be submitted on the prescribed form. Proposals shall not be removed from the Contract Documents Book. All applicable blank spaces must be written or printed in ink or typed. If pages are removed for typing, they should be properly replaced. Each bidder must furnish in his proposal a summary of information relative to the facilities, ability and financial resources available for the fulfillment of the contract.

Instruction to Bidders (continued)

Submit Proposals in entire Contract Documents Book, in sealed envelopes bearing on the outside, the name of the bidder, his address, the name of the project and the number of the contract for which the bid is submitted. Bid deposits and Surety Bid Letters accompanying bids shall be sealed in the Bid Envelope.

Before award is made to a bidder not a resident of the state of Ohio, such bidder shall designate a proper agent in the State of Ohio on whom service can be made in event of litigation.

APPROXIMATE QUANTITIES FOR COMPARING PROPOSALS:

The quantities of work as given for each item in the Proposal are approximate and are given only as uniform basis for comparison of proposals. They are not guaranteed to be an accurate statement of estimated quantities or work that is to be performed under the contract and any departure therefrom will not be accepted as valid grounds for any claim for damages or loss of profits.

PRICE BID:

The prices shall be typed in ink or typed in figures in the appropriate places in the proposals for the various items, and all bids will be considered irregular which contain items not specified in the forms of bids.

Bids will be compared on the basis of the aggregate cost as determined by the use of the schedule of approximate quantities contained in the Proposal.

SIGNATURE OF BIDDERS:

The firm, corporate or individual name of the bidder must be signed in ink in the space provided for the signatures on the proposal blanks. In the case of a corporation, the title of the officer signing must be stated and such officer must be thereunto duly authorized and the seal of said corporation duly affixed. In the case of a partnership, the signature of at least one of the partners must follow the firm name, using the term "member of the firm." In the case of an individual, use the terms "doing business as," or "sole owner". The bidder shall further state in his proposal the name and address of each person or corporation interested therein.

Instruction to Bidders (continued)

PROPOSAL GUARANTEE:

Each Proposal must be accompanied by a completed Proposal Guaranty and Performance/Payment Bond Form (Section 153.571 of the Ohio Revised Code) included in the Contract Book, which shall contain a Bid Bond of (10%) of the total amount bid, as a guarantee that in the event the bid is accepted, and the contract awarded to the bidder, said Bond shall convert to a (100%) Performance/Payment Bond that the Contract will be duly executed and its performance duly secured by the required Performance and Liability bonds.

DISPOSITION OF PROPOSAL GUARANTEE:

All deposits made with bids except those deposits made by the two lowest qualified bidders shall be returned to the person making the bid as soon as the two lowest qualified bidders are selected, but in any event within ninety (90) days after the receipt of bids. If the bidder to whom the award is made shall execute the contract and furnish the required bond or security for the performance of the contract within ten (10) days of award, such deposits shall be returned.

In case the bidder to whom such award is made shall fail to execute and secure a contract within ten (10) days, the award shall be vacated and the deposit forfeited as liquidated damages, and the contract may be awarded to the next lowest qualified bidder who shall thereupon execute the contract and furnish the required bond or security for the performance of the contract within ten (10) days or forfeit his deposit as liquidated damages.

BIDDER'S AFFIDAVIT:

Each bidder is required to duly execute the affidavit at the end of the proposal stating that all statements and declarations made in the proposal are true to the best of his knowledge and belief.

WITHDRAWAL OF PROPOSAL:

No proposal may be withdrawn after it has been duly deposited with the Director of Finance. No bidder may withdraw his bid for a period of sixty (60) days after the opening of the bids.

COMPETENCY OF BIDDERS:

The City may make such investigation as it deems necessary to determine the ability and competency of the bidder to perform the work. Upon request, the bidder shall furnish evidence satisfactory to the City that he has the necessary conditions of the contract and specifications.

Instruction to Bidders (continued)

The City reserves the right to reject any bid received, if the investigation fails to satisfy the City that such bidder is properly qualified to carry out the obligations of the contract and to complete the work as specified.

INFORMATION TO BE FURNISHED:

In considering bids for this work, particular attention will be given to the method of construction which the bidder plans to follow; the available experienced and skilled men which he plans to use in the performance of the work; the types of equipment and materials he plans to install; and he shall prepare and furnish this information in writing at the City's request.

Furthermore, the bidder must, prior to the award of the contract, be prepared to discuss in detail, all matters relating to these special features of the work with the end in view that the City may obtain high-grade workmanship and proper performance of the Contract.

LIST OF SUBCONTRACTORS:

Bidders shall furnish a list of all subcontractors they intend to employ on the work under this Contract; such a list shall be given on the form provided in the proposal section. Failure to include such a list will be construed as indicating that the Bidder will do all work required with his own forces. The employment of any Subcontractor, not indicated on the list submitted with the proposal, will not be allowed except with special permission of the City of Youngstown.

DOMESTIC STEEL REQUIREMENT:

All steel used in this contract shall be domestic steel produced in the United States of America,

RIGHT TO ACCEPT OR REJECT PROPOSALS:

The city may consider informal any bid not prepared and submitted in accordance with the provisions hereof. The City reserves the right to reject any or all bids, to waive any informalities or irregularities in the bids received, and to accept any bid which is deemed most favorable for the proper execution of this Contract. All contracts are to be awarded by the Board of Control in compliance with the City of Youngstown Home rule Charter, Sections 106 through 114.

BASIS OF AWARD:

The award of the contract will be made to the lowest, most responsive, responsible and best qualified bidder, as the applicable law may provide, who meets the requirements of the Contract Documents. If alternate bids are solicited, the award will be based on bids submitted for the alternate, which is selected by the City of Youngstown Board of Control.

Instruction to Bidders (continued)

EXECUTION OF CONTRACT:

The bidder to whom the contract is awarded will be required to execute a written contract with approved sureties within ten (10) days from the date of the service of notice to that effect. In case he shall fail to do so, the Bid Deposit accompanying his proposal shall thereupon be forfeited to and the amount thereof retained by the City of Youngstown as liquidated damages for any expense or delay which may be incurred in making another letting for the performance of said work, and to indemnify said City for any loss which it may sustain by failure of the bidder to execute the contract and furnish bond as aforesaid and the work may be re-advertised or let to the next lowest or next best bidder, as the City may determine.

PERFORMANCE/PAYMENT BOND

The successful bidder will be required to furnish a bond for the faithful performance of the contract in a sum not less than one hundred percent (100%) of the total price bid for the completed work, said bond to be that of an approved surety company authorized to transact business within the State of Ohio to the satisfaction of the City Law Director.

Agents of bonding companies, which write bonds for the performance of the contract, shall furnish power of attorney, bearing the seal of the company, evidencing such agent's authority to execute the particular type of bond to be furnished, and evidencing also the right of the surety company to do business in the State of Ohio. A copy of this proof shall be attached to each copy of the contract.

The bond shall be purchased through a surety company having a local agent upon whom service of process can be made.

If, any time after execution and approval of this contract and the performance bond required by the contract documents, the City of Youngstown shall deem any of the sureties upon such bond to be unsatisfactory, or if, for any reason, such bond shall cease to be adequate security for the City of Youngstown, the contractor shall, within ten (10) days after written notice of the City of Youngstown to do so, furnish a new or additional bond in form, sum and signed by such sureties as shall be satisfactory to the City of Youngstown. No further payment shall be deemed due nor shall any further payment be made to the contractor unless and until such new or additional bond shall be furnished and approved. The premium on such bonds shall be paid by the contractor.

SUBLETTING OF CONTRACT

The Contractor shall not sublet, sell, transfer or assign any portion of the contract without written consent of the City's Deputy Director of Public Works or his designated agent.

Instruction to Bidders (continued)

When such consent is given, the contractor will be permitted to sublet a portion thereof, but shall perform with his own organization, work amounting to no less than fifty percent (50%) of the total contract cost, except that any item designated in the contract as a "specialty item" may be performed by subcontract and the cost of specialty items performed by subcontract may be deducted from the total cost of contract before computing the amount of work required to be performed by the contractor with his own organization. No subcontract or transfer of contract shall in any way release the contractor of his liability under the contract and bonds. Request to sublet forms can be obtained in the City Engineering Department, and must be submitted as a requirement of the contract.

LIQUIDATED DAMAGES FOR FAILURE TO ENTER INTO CONTRACT

The successful bidder, upon his failure or refusal to execute and deliver the contract and bonds required within ten (10) days after he has received notice of the acceptance of his bid, shall forfeit to the owner, as liquidated damages for such failure or refusal, the security deposited with his bid.

PROGRESS SCHEDULE

Within ten (10) days after the award of the contract to him, the contractor shall submit a proposed program of operation, showing clearly how he proposed to conduct the work as to bring about the completion of his work within the time limit specified. This program shall outline the proposed sequence of operations, the rates of progress and the dates when his work will be sufficiently advanced to permit the installation of the work under other contracts. The work under this contract shall be so scheduled that as structures are completed they can be placed into useful operation with a minimum of delay. The program shall be subject to the approval of the Deputy Director of Public Works.

PROJECT COMPLETION

All bidders shall comply with Resolution 78-98 passed in City Council of Youngstown, Ohio dated July 13, 1978, whereas Bid Proposals contain additional language other than as now provided by the Youngstown Home Rule Charter and ordinances.

Section 1 of this Ordinance reads as follows: That all bid proposals from the City of Youngstown provide language wherein a contractor, as the successful bidder on a project, shall not be awarded a second contract based on a low bid until adequate performance is guaranteed by the bidder so that the project is completed on a date certain, and further that no project shall be neglected in favor of another project subject to a successful bid, and further that, in addition to the bid bonds as presently required by the Home Rule Charter and bid proposals, a liquidated damage clause be included to protect the City for any delay caused by a contractor in the responsibility to perform in a good workmanlike manner on any project for which he has been the successful bidder.

Instruction to Bidders (continued)

TIME OF COMPLETION AND LIQUIDATED DAMAGES:

Bidder agrees to commence work on or before a date to be specified in a written "Notice to Commence Work", and to fully complete the Project within **Seventy Five (75)** consecutive calendar days thereafter. Bidder agrees to pay as liquidated damages, the sum of One Thousand dollars (\$1,000.00) for each consecutive calendar day thereafter that the project is not complete. Bidder will also pay **ALL COSTS FOR A PROJECT INSPECTOR** for each consecutive calendar day thereafter that the project is not complete. The City retains the right to deduct the foregoing cost from the contract amount prior to the issuing of a final payment, and or to otherwise recover the amount in full from the Bidder.

WARRANTY:

If within one year form the date of Certificate of Acceptance of the work (unless a machinery and/or material guarantee or a manufacturer's specification provides for an extended period of time) any materials or workmanship furnished hereunder may be discovered by the City upon review and re-inspection to be defective, the contractor upon receipt of written notice from the City, shall promptly replace or remedy any defects to the City's satisfaction and as described in the Specifications, all without cost to the City. This obligation shall survive the termination of this contract.

DISPUTES

Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the City's Department of Public Works. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the Deputy Director of Public Works. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Deputy Director of Public Works shall be binding upon the Contractor and the Contractor shall abide by the decision.

PERFORMANCE DURING DISPUTE

Unless otherwise directed by the City, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

CLAIMS FOR DAMAGES

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages there for shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

Instruction to Bidders (continued)

REMEDIES

Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the City and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Ohio. If the parties agree to arbitrate their disputes, the arbitrator(s) picked shall be mutually agreed upon, and in all instances shall have the professional knowledge, judgment, and experience in the character of the work done under this Contract.

RIGHTS AND REMEDIES

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the City, its Consultant, or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach there under, except as may be specifically agreed in writing.

- a. Termination for Convenience** The City may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the City's best interest. The Contractor shall be paid its reasonable costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to City to be paid the Contractor. If the Contractor has any property in its possession belonging to the City, the Contractor will account for the same, and dispose of it in the manner the City directs.
- b. Termination for Default** If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified in this contract or any extension, or fails to complete the work within this time, or if the Contractor fails to comply with any other provisions of this contract, the City may terminate this contract for default. The City shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, the City may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to the Recipient resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the City in completing the work. The Contractor's right to proceed shall not be terminated nor the Contractor charged with damages under this clause if- 1. the delay in completing the work arises from unforeseeable causes beyond the

Instruction to Bidders (continued)

control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of the City, epidemics, quarantine restrictions, strikes, freight embargoes; *and* 2. the contractor, within ten (10) days from the beginning of any delay, notifies the City in writing of the causes of delay. If in the judgment of the City, the delay is excusable, the time for completing the work shall be extended. The judgment of the City shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses. If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the Recipient.

- c. **Opportunity to Cure** The City in its sole discretion may, in the case of a termination for breach or default, allow the Contractor a specified time in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Contractor fails to remedy to City's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor or written notice from City setting forth the nature of said breach or default, City shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude City from also pursuing all available remedies against Contractor and its sureties for said breach or default.

Waiver of Remedies for any Breach In the event that City elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by City shall not limit City's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

(INTENTIONALLY LEFT BLANK)

Instructions to Bidders (continued)

INSURANCE REQUIREMENTS

If any part of the work is sublet, insurance of the same types and limits as required by the above items numbered A, B, C, D, E, H and I shall be provided by or on behalf of the subcontractors to cover that part of the work they have contracted to perform including Property Damage Liability Special Hazards coverage if so required by this contract.

Protective and Contractual Bodily Injury Liability Insurance required by Item J shall be in an amount and form as each railroad or utility company may require.

The required extent and limits of the types of insurance required from the Contractor for this Contract are as follows and as designated in the column marked "Required." The City of Youngstown reserves the right to increase or decrease the limits of insurance coverage as the City deems appropriate.

Item	Each Person	Each Accident	Per Occurrence	Required
A	XXXXXX	XXXXXX	XXXXXX	Yes
B	1,000,000	XXXXXX	1,000,000	Yes
C	XXXXXX	1,000,000	1,000,000	Yes
D	1,000,000	XXXXXX	1,000,000	Yes
E	XXXXXX	1,000,000	1,000,000	Yes
F	1,000,000	XXXXXX	XXXXXX	Yes
G	XXXXXX	1,000,000	1,000,000	Yes
H	1,000,000	XXXXXX	1,000,000	Yes
I	XXXXXX	1,000,000	1,000,000	Yes
J	<u>AS REQUIRED BY RAILROAD</u>			
K	<u>AS REQUIRED BY CITY</u>			
L	CITY OF YOUNGSTOWN WILL ACCEPT A C.S.L. (COMBINED SINGLE LIMIT) OF 1,000,000 <u>FOR ITEMS B, C, D, E, F, G, H, I</u>			

Instructions to Bidders (continued)

INSURANCE REQUIREMENTS

Certificates in triplicate from the insurance carrier stating the limits of liability and expiration date shall be filed with the City before operations are begun. Such certificates shall not merely name the types of policy provided, but shall specifically refer to this Contract and shall contain a separate express statement of compliance with each of the requirements as set forth in this section. However, the original policy for Owner's Protective Bodily Injury (Item F) and Property Damage (Item G) shall at this time be delivered to the City for its possession.

All Policies shall be endorsed to add the City of Youngstown and the United States of America as an additional insured as their (the City of Youngstown and the United States of America) interests may appear. All policies as hereinafter required shall be so written that the City will be notified of cancellation, no renewal, or restrictive amendment at least thirty days prior to the effective date of such cancellation or amendment.

- Item A - Workmen's Compensation and/or Employer's Liability Insurance as required or specified by State Law.
- Item B - Contractor's Direct Bodily Injury Liability Insurance.
- Item C - Contractor's Direct Property Damage Liability Insurance.
- Item D - Contractor's Protective Bodily Injury Liability Insurance.
- Item E - Contractor's Protective Damage Liability Insurance.
- Item F - Owner's Protective Bodily Injury Liability Insurance, naming the owner as insured.
- Item G - Owner's Protective Property Damage Liability Insurance, naming the owner as insured.
- Item H - Bodily Injury Liability Insurance covering motor vehicles either owned by the contractor or being used in connection with the prosecution of the work embraced under this contract.
- Item I - Property Damage Liability Insurance covering motor vehicles either owned by the contractor or being used in connection with the prosecution of the work embraced under this contract.

Instructions to Bidders (continued)

- Item J - Such Protective (including Railroad Protective and Contractual Bodily Injury Liability Insurance and such Protective (including Railroad Protective) and Contractual Property Damage Liability Insurance as shall be required by the railroad and other utility companies whose property, facilities or rights of way may be affected by the work to be done under this contract, in such amounts and in such forms as each such utility company may require.
- Item K - If requested, Contractor's insurance agent shall provide the City of Youngstown with Agent's Errors and Omissions Certificate in the minimum amount of One Million Dollars (\$1,000,000.00).

The following special hazards shall be included in the above stated coverage.

- (a) Contractor's Direct Property Damage Liability Insurance (Item C) shall contain an endorsement to include coverage for damage to:

Explosion & Blasting	<u>Each Person</u>	<u>Each Accident</u>	<u>Per Occurrence</u>	<u>Required</u>
Collapse or Injury to Structure	\$1,000,000	\$1,000,000	\$1,000,000	YES
	<u>Each Person</u>	<u>Each Accident</u>	<u>Per Occurrence</u>	<u>Required</u>
Damage to Underground Structures or Conduits	\$1,000,000	\$1,000,000	\$1,000,000	YES
	<u>Each Person</u>	<u>Each Accident</u>	<u>Per Occurrence</u>	<u>Required</u>

- (b) All Bodily Injury Coverages (Items B, C, F, and H) shall be broadened by the inclusion of the term "occurrence" in lieu of "caused by accident".

(c) BUILDER'S RISK INSURANCE

The Contractor shall maintain insurance to protect himself and/or the City of Youngstown from loss incurred by fire, lightning, extended coverage hazards, vandalism, theft, explosion and malicious mischief in the full amount of the Contract and such insurance shall cover all labor and materials connected with the Work included materials delivered to the site but not yet installed in the building.

Instructions to Bidders (continued)

DELINQUENT TAX AFFIDAVIT

After the award of the contract and prior to the time the contract is entered into, the successful bidder shall be required to execute and submit an affidavit directed to the Director of Finance. The affidavit shall be in a form sufficient to comply with the requirements of Ohio Revised Code Section 5719.042. The affidavit shall be executed and returned within five (5) consecutive days of receipt of same by contractor. The Ohio Revised Code requires that the affidavit become a part of the contract, and also provides that no payment shall be made on any contract for which no such affidavit has been filed.

BID EVALUATION CRITERIA

Pursuant to Resolution Number 01-16, the Board of Control of the City of Youngstown will consider the following factors when making a determination as to whether a bid is submitted by the lowest and best bidder who is responsible in City public improvement contracts:

1. Whether the bidder's work force is drawn mainly from area residents;
2. Experience and continuity of the bidder's work force;
3. Whether the bidder participates in an apprenticeship or training program, and the time length of the bidder's participation therein;
4. The bidder's financial condition;
5. The bidder's resources;
6. The number of years the bidder has been in the construction business;
7. Bidder's familiarity with the project;
8. Bidder's record on similar construction projects;
9. Bidder's conduct, past performance, and work on past City Contracts;
10. Bidder's compliance with completion deadlines;
11. Whether bidder generally experiences cost overruns, or change orders, and the reason for the overrun or change order;
12. Bidder's bonding record;

Instructions to Bidders (continued)

13. Bidder's compliance with unemployment and worker's compensation laws;
14. Bidder's compliance with federal and state prevailing wage laws;
15. Bidder's compliance with the Fair Labor Standards Act;
16. Bidder's compliance with fringe benefit contribution requirements, as applicable.

No single factor set forth above shall be controlling in determining whether a bid is or is not the best most responsible bid. The bidder must also satisfy any other conditions, certification requirements and other provisions as set forth in the project specifications and contract documents.

NOTE:

SECTION 3 IS TO BE COMPLETED IN FULL AND RETURNED WITH ENTIRE CONTRACT BOOK, WHEN SUBMITTING BID

PROPOSAL

TO: Director of Finance
Third Floor, City Hall
Youngstown, Ohio 44503

The undersigned, having familiarized myself/ourselves with the local conditions affecting the costs of the work, and the entirety of the Contract Documents, including Advertisement for Bids, Special Conditions, Instructions to Bidders, General Conditions, Proposed Contract, Form of Bond, Sections 5 through 9 of the Contract Document Book, plans and specifications, and Addenda and exhibits issued and attached to the specifications on file in the office of the Deputy Director of Public Works for the City of Youngstown, hereby proposes to perform everything required to be performed and to provide and furnish all of the labor, materials, necessary tools, expendable equipment, and in a workmanlike manner, all of the work required for the improvement of:

2016 CITY WIDE RESURFACING PROGRAM**IN THE CITY OF YOUNGSTOWN, OHIO**

any and all incidental work necessary to complete said Project in accordance with the plans and specifications prepared by the Deputy Director of Public Works, which plans and specifications are hereby made a part of this Proposal. All work shall meet with the acceptance of the Deputy Director of Public Works.

It is agreed that all work will be completed in the time specified, namely, within **Seventy Five (75)** consecutive calendar days after the date of authorization to proceed given in the notice to the Contractor.

It is agreed that the work will be accomplished at the following unit prices:

Prices to be written in figures on Pages 3-7c through 3-7f

PROPOSAL REQUIREMENTS/AGREEMENTS

The undersigned hereby agree(s) to complete all of the work shown or specified within the following number of calendar days from the date of notice to begin work, and he further agrees that the City may retain from the moneys that are owed or which may become due, the amount stipulated below for each and every day (Sundays and legal holidays excepted) the completion of work may be delayed beyond the time stipulated, and such amount retained is agreed to be liquidated damages accruing to the City incident to such delay, and not a penalty.

This project is to be completed in **Seventy Five (75)** consecutive calendar days, at One Thousand dollars (\$1,000.00) per day in liquidated damages, **PLUS ALL OF THE COSTS OF A PROJECT INSPECTOR** for each consecutive calendar day thereafter. Said cost to be deducted from the contract amount prior to the issuing of a final payment, or collected from the Contractor in a manner proscribed by law.

There is enclosed herein a Proposal Guaranty and Performance/Payment Bond duly executed by an approved surety company, licensed to conduct business in the State of Ohio.

Said Bond is equal to, and not less than ten percent (10%) of the estimated total bid, and it is understood that upon contract award, the Bond shall convert into a one hundred percent (100%) Performance/Payment Bond and shall be subject to the terms and conditions stipulated in these Contract Documents.

Name and address of bidder to whom all formal notices shall be sent:

Company Name _____
Attention: _____
Address: _____

The undersigned states that the names and addresses of persons interested as principals in this proposal are as follows:

FILL IN AND RETURN WITH BID

PROPOSAL REQUIREMENTS/AGREEMENTS

The bidder shall state on the line below, if a corporation, the name of state in which incorporated and the date of said incorporation.

State of Incorporation

Date of Incorporation

The undersigned states that he is a citizen of the United States and that all the partners, associates or principals interested herein are citizens of the United States, except: (Give full names and addresses)

The undersigned offers the following information relative to the facilities, ability and financial resources available for the fulfillment of the contract if such is awarded to him.

FACILITIES: That he or they own and have available for immediate use on the proposed work the following plant equipment:

PROPOSAL REQUIREMENTS/AGREEMENTS

The undersigned Bidder affirms that he has read all sections of the Contract Documents, and by signing below will be bound by their terms at the price stated in the proposal. The contractor also affirms the following:

(a) That applicants for employment are hired without regard to their race, color, religion, sex, ancestry, national origin or place of birth;

(b) That employees are treated during employment without regard to their race, color, religion, ancestry, national origin or place of birth;

(c) That the affirmative action program which is proposed for this contract will insure that there will be minority group representation in all trades and in all phases of this bidder's operations, in accordance with Section 547.22(b), of the Ordinances of the City of Youngstown;

(d) That the Bidder has read and has reviewed the forms, instructions and policy statements contained in Section 6 dealing with the affirmative action program;

(e) That all bidders are invited to consult with the Human Relations Commission Affirmative Action/EEO officer at the Youngstown Area Development Corporation (YADC) at 2123 Belmont Avenue, Youngstown, Ohio 44507, for information, advice and assistance in the preparation of their proposal and documentation of MBE /FBE participation or good faith efforts by the bidder, after award of the bid. That an affirmative action program shall be considered to be in compliance with this section if it includes provisions consistent with the following guidelines:

- (1) Uses minority contractors as subcontractors;
- (2) Employs representative numbers of minorities in all job classifications, with any increase in the work force resulting from the project bid upon being accompanied by a comparable increase in the number of minority group employees;
- (3) Establishes timetables for achieving employment goals which are directly related to the total work force;
- (4) Uses action oriented recruitment using recruitment sources where minority applicants can be found;
- (5) Provides on-the-job training opportunities for recently hired minority employees;
- (6) Recruitment sources where minorities are not registered will not be used; and
- (7) Records total present work force and total minority work force and list minorities by job classification.

PRINCIPAL AND SURETY COMPLETE AND SIGN THIS FORM: SUBMIT WITH BID

IMPORTANT: Surety companies executing Bonds must appear on the Treasury Department's most current list (Circular 570 as amended) and be authorized to transact business in the State where the project is located.

PROPOSAL GUARANTY-PERFORMANCE/PAYMENT BOND
(OHIO REVISED CODE, SECTION 153.571)

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned:

(Name and Address of Principal)
as principal and _____
(Name and Address of Surety)
_____ as surety are hereby
held and firmly bound unto the City of Youngstown, Ohio, obligee in the penal sum of the
dollar amount of the bid submitted by the principal to the obligee on _____ to
(Date)
undertake the project known as

(Project Name)

The penal sum referred to herein shall be the dollar amount of the principal's bid to the obligee, incorporating any additive or deductive alternate proposals made by the principal on the date referred to above to the obligee, which are accepted by the obligee. In no case shall the penal sum exceed the amount of

Dollars (\$_____). (If the foregoing blank is not filled in, the penal sum will be the full amount of the principal's bid, including alternates. Alternatively, if the blank is filled in, the amount stated must not be less than the full amount of the bid including alternates, in dollars and cents. A percentage is not acceptable.) For the payment of the penal sum well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors and assigns.

Signed this _____ day of _____, 20____.

PRINCIPAL AND SURETY COMPLETE AND SIGN THIS FORM: SUBMIT WITH BID

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the above named principal has submitted a bid for _____

(Above-referenced Project)

Now, therefore, if the obligee accepts the bid of the principal and the principal fails to enter into a proper contract in accordance with the bid, plans, details, specifications and bills of materials; and in the event the principal pays to the obligee the difference not to exceed ten percent (10%) of the penalty hereof between the amount specified in the bid and such larger amount for which the obligee may in good faith contract with the next lowest bidder to perform the work covered by the bid; or in the event the obligee does not award the contract to the next lowest bidder and resubmits the project for bidding, the principal pays to the obligee the difference not to exceed ten percent (10%) of the penalty hereof between the amount specified in the bid or the costs, in connection with the resubmission of printing new contract documents, required advertising and printing and mailing notices to prospective bidders, whichever is less, then this obligation shall be null and void, otherwise to remain in full force and effect; if the obligee accepts the bid of the principal and the principal (within ten (10) days after the awarding of the contract) enters into a proper contract in accordance with the bid plans, details, specifications and bills of material, which said contract is made a part of this bond the same as though set forth herein.

IF THE SAID PRINCIPAL shall well and faithfully perform each and every condition of such contract and indemnify the obligee against all damage suffered by failure to perform such contract according to the provisions thereof and in accordance with the plans, details, specifications and bills of material therefor; and shall pay all lawful claims of subcontractors, materialmen and laborers, for labor performed and materials furnished in the carrying forward, performing or completing of said contract; we agreeing and assenting that this undertaking shall be for the benefit of any materialman or laborer having a just claim, as well as for the obligee herein, then this obligation shall be void; otherwise, the same shall remain in full force and effect, it being expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall in no event exceed the penal amount of this obligation as herein stated.

THE SAID SURETY hereby stipulates and agrees that no modifications, omissions or additions, in or to the terms of said contract or in or to the plans and specifications therefor shall in any way affect the obligations of said Surety on this Bond, and it does hereby waive notice of any such modifications, omissions or additions to the terms of the contract or to the work or to the specifications.

CORPORATION OR BUSINESS TRUST'S CERTIFICATION OF COMPLIANCE WITH OHIO REVISED CODE, SECTION 3517.13:

The undersigned representative of a corporation or business trust certifies that the corporation is familiar with the provisions of Ohio Revised Code, Section 3517.13 prohibiting the award of any contract in excess of \$500.00 by a political subdivision to any corporation in which the following affiliated persons have contributed singly in excess of \$1,000.00 or in combination in excess of \$2,000.00 to the office holder(s) having ultimate responsibility for awarding the contract.

By signing this contract, the undersigned representative of the corporation or business trust certifies on behalf of the contracting corporation or business trust that all of the following persons, if applicable, are in compliance with division (I) (1) of Ohio Revised Code, Section 3517.13 with respect to all public officials of the City of Youngstown with whom the corporation or business trust is hereby contracting:

- A. Each owner of more than twenty percent of the corporation or business trust;
- B. Each spouse of each owner of more than twenty percent of the corporation or business trust;
- C. Each child of seven years of age to seventeen years of age of each owner of more than twenty percent of the corporation or business trust;
- D. Any political action committee affiliated with the corporation or business trust;
- E. Any combination of persons and/or organization identified in (A) – (D) of this indented list.

The undersigned authorized representative of the contracting corporation or business trust certifies such compliance on and since April 4, 2007, and on any date after April 4, 2007, that the City and the contracting corporation or business trust enter into this Contract. If the contracting corporation or business trust's representative becomes aware of noncompliance with Ohio Revised Code, Section 3517.13 between the time the representative signs this Contract and the time the City fully executes and enters into this Contract, the contracting corporation or business trust shall so notify the City, and unless and until the City receives such notice, the City may rely on this certification when entering into this Contract.

From the date of the award of this Contract and until one (1) year following its conclusion, none of the persons or organization listed above shall individually contribute more than One Thousand Dollars (\$1,000.00) and none of the persons or organizations listed shall in combination contribute more than Two Thousand Dollars (\$2,000.00) to the officer holder who had ultimate authority to award this Contract.

This certification incorporated into the Contract for _____ entered into between _____ and the City of Youngstown.

PARTNERSHIP OR UNINCORPORATED BUSINESS ASSOCIATION'S CERTIFICATION OF COMPLIANCE WITH OHIO REVISED CODE, SECTION 3517.13:

The undersigned representative of a partnership or other unincorporated business association certifies that the partnership or association is familiar with the provisions of the Ohio Revised Code, Section 3517.13 prohibiting the award of any contract in excess of \$500.00 by a political subdivision to any partnership or unincorporated business association in which the following affiliated persons have contributed singly in excess of \$1,000.00 or in combination in excess of \$2,000.00 to the office holder(s) having ultimate responsibility for awarding the contract.

By signing this Contract, the undersigned representative of the partnership or unincorporated business association certifies on behalf of the partnership or association that all of the following persons, if applicable, are in compliance with division (I) (1) of Ohio Revised Code, Section 3517.13 with respect to all public officials of the City of Youngstown with whom the partnership or association is hereby contracting:

- A. Each individual partner or owner of the unincorporated business association;
- B. Each spouse of each partner or owner;
- C. Each child of seven years of age to seventeen years of age of each partner or owner;
- D. Any political action committee affiliated with the partnership or association;
- E. Any combination of persons and/or organizations identified in (A) – (D) of this indented list.

The undersigned authorized representative of the partnership or association certifies such compliance on and since April 4, 2007, and on any date after April 4, 2007, that the City and the partnership or association enter into this Contract. If the representative becomes aware of noncompliance with Ohio Revised Code, Section 3517.13 between the time the partnership or association execute this Contract and the time the City fully executes and enters into this Contract, the partnership or association representative shall so notify the City, and unless and until the City receives such notice, the City may rely on this certification when entering into this Contract.

From the date of the award of this Contract and until one (1) year following its conclusion, none of the persons or organizations listed above shall individually contribute more than One Thousand Dollars (\$1,000.00) and none of the persons or organizations listed shall in combination contribute more than Two Thousand Dollars (\$2,000.00) to the office holder who had ultimate authority to award this Contract.

This certification incorporated into the Contract for _____ entered into between _____ and the City of Youngstown.

INDIVIDUAL CONTRACTOR'S CERTIFICATION OF COMPLIANCE WITH OHIO REVISED CODE, SECTION 3517.13:

The undersigned individual or sole proprietor certifies that the individual or sole proprietor has read and is familiar with the provisions of Ohio Revised Code, Section 3517.13 prohibiting the award of any contract in excess of \$500.00 by a political subdivision to any individual or sole proprietor who has contributed singly in excess of \$1,000.00, whose listed relatives individually have contributed in excess of \$1,000.00 or who in combination have contributed in excess of \$2,000.00 to the office holder(s) having ultimate responsibility for awarding the contract.

By signing this Contract, the undersigned individual or sole proprietor certifies that all of the following persons, if applicable, are in compliance with division (I) (1) of Ohio Revised Code, Section 3517.13 with respect to all public officials of the City of Youngstown with whom the individual or sole proprietor is hereby contracting:

- A. The individual or sole proprietor;
- B. Each spouse of the individual or sole proprietor;
- C. Each child of seven years of age to seventeen years of age of the individual or sole proprietor;
- D. Any combination of persons identified in (A) – (C) of this indented list.

The undersigned certifies such compliance on and since April 4, 2007, and on any date after April 4, 2007, that the City and the individual or sole proprietor enter into this Contract. If the individual or sole proprietor becomes aware of noncompliance with Ohio Revised Code, Section 3517.13 between the time he/she signs this Contract and the time the city fully executes and enters into this Contract, the individual or sole proprietor shall so notify the City, and unless and until the city receives such notice, the city may rely on this certification when entering into this Contract.

From the date of the award of this Contract and until one (1) year following its conclusion, none of the persons or organizations listed above shall individually contribute more than One Thousand Dollars (\$1,000.00) and none of the persons or organizations listed shall in combination contribute more than Two Thousand Dollars (\$2,000.00) to the office holder who had ultimate authority to award this Contract.

LEGISLATIVE CERTIFICATION

I hereby certify that the Council of the City of Youngstown, Ohio, did, by the passage of Ordinance Number _____ on _____, authorize the Board of Control to advertise for bids and enter into a Contract for the Project herein described.

CLERK OF COUNCIL

CONTRACT

THIS AGREEMENT, made and executed at Youngstown, Ohio, this _____ day of _____ 2016 by and between the City of Youngstown, a municipal corporation situated in Mahoning County, State of Ohio, (hereinafter the "City"), and,

(hereinafter "Contractor"), a corporation, partnership or individual, whose address is _____

In consideration of the mutual covenants herein contained, the City and the Contractor agree as set forth below:

ARTICLE 1

1.1 The Contractor shall, for the price stipulated in the Proposal and Contract Documents for **2016 CITY WIDE RESURFACING PROGRAM**

and under penalty as expressed in the bond referenced therein: furnish at his own cost and expense, all the necessary materials, labor, superintendence, tools and appliances; and shall execute, construct, finish and test in an expeditious, substantial and workmanlike manner, the entire work described in the Contract Documents, and reasonably inferable by the Contractor as necessary to produce the results intended by the Contract Documents.

ARTICLE 2

2.1 The Contractor shall commence the work within Ten (10) days from the date the Deputy Director of Public Works issues a Notice to Commence Work for the Project. The Contractor shall perform the work within the time and in the manner specified, and in conformity with the requirements set forth in the Contract Documents, and all to the acceptance of the City.

The Contractor shall proceed with the contract work in a prompt and diligent manner and shall do the several parts thereof at such times, and in such order as the Deputy Director of Public Works may direct.

ARTICLE 3

3.1 The Contractor shall complete the whole of said work in accordance with the Contract Documents. In the event that the Contractor has not completed the work within **Seventy Five (75)** consecutive

Contract (continued)

days after the date specified in the contract, the City shall be entitled to retain or recover from the Contractor as liquidated damages and not as a penalty, an amount equal to One Thousand (\$1,000.00) Dollars per day, plus all costs for a project inspector, for each and every day (Sundays and legal holidays excepted) the completion of work is delayed beyond the time stipulated.

- 3.2 The amount of liquidated damages is agreed upon by and between the parties because of the impracticality and extreme difficulty of ascertaining the actual amount of damages the City would sustain.
- 3.3 The City will not be liable to the Contractor for any neglect, default, delay or interference of or by any other contractor, nor shall any such neglect, default, delay or interference of any other contractor or alteration which may be required in said work release the Contractor from the obligation to complete the work within the time aforesaid or from the damage to be paid in default thereof.

ARTICLE 4

- 4.1 The Contract Documents and this Contract embody the entire understanding of the parties and form the basis for this Contract between the City and the Contractor. The Contract Documents shall be considered to be incorporated by reference into this Contract as if fully re-written.
- 4.2 The Contract, and any modifications, amendments, or alterations thereto shall be governed, construed and enforced by and under the Charter of the City of Youngstown.
- 4.3 The Contract shall become binding and effective upon delivery to the Contractor after execution by the City's Board of Control, and approval by the Law Director of the City of Youngstown.

(INTENTIONALLY LEFT BLANK)

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

STATEMENT OF COMPLIANCE

I,

 (Name of person signing affidavit)(Title)

do hereby certify:

(1) That the payroll for the payroll period contains the information required to be maintained under § 5.5(a)(3)(i) of Regulations, 29 CFR Part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

 (Signature of Officer or Agent)

Sworn to and subscribed in my presence this _____ day of

_____,
 20 _____.

 (Notary Public)

The above affidavit must be executed and sworn to by the officer or agent of the contractor or subcontractor who supervises the payment of employees. This affidavit must be submitted to the owner upon the submission of each weekly payroll. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 (available from the Superintendent of Documents (Federal Stock Number 029-005- 00014-1), U.S. Government Printing Office, Washington, D.C. 20402) shall satisfy the requirement for submission of the "Statement of Compliance".

**Affidavit Of Compliance
PREVAILING WAGES**

I, _____

(Name of person signing affidavit)(Title)

do hereby certify that the wages paid to all employees of

(Company Name)

for all hours worked on the

(Project name and location)

project, during the period from _____ to _____ are in
(Project Dates)

compliance with prevailing wage requirements of The Davis Bacon Act. I further certify that no rebates or deductions have been or will be made, directly or indirectly, from any wages paid in connection with this project, other than those provided by law.

(Signature of Officer or Agent)

Sworn to and subscribed in my presence this _____ day of _____, 20 _____.

(Notary Public)

The above affidavit must be executed and sworn to by the officer or agent of the contractor or subcontractor who supervises the payment of employees. This affidavit must be submitted to the owner (public authority) before the surety is released or final payment due under the terms of the contract is made.

Superseded General Decision Number: OH20150002

State: Ohio

Construction Types: Heavy and Highway

Counties: Ohio Statewide.

Heavy and Highway Construction Projects

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.15 for calendar year 2016 applies to all contracts subject to the Davis-Bacon Act for which the solicitation was issued on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.15 (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2016. The EO minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within
 the scope of the classifications listed may be added after
 award only as provided in the labor standards contract clauses
 (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage

determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

Minority /Female Business Program	6-11 / 6-12
HUD Section 3 Requirements For Contracts in excess of \$200,000.00	6-13

**EQUAL EMPLOYMENT OPPORTUNITY CLAUSE
As Per Section 547.21**

All contracts entered into by the City involving the expenditure of the amount of funds requiring advertising and competitive bidding under the Youngstown Home Rule Charter shall incorporate equal opportunity clauses, which read as follows:

A. The contractor or vendor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, ancestry, national origin or place of birth. The contractor or vendor shall take affirmative action in accordance with the terms outlined in its proposal and the provisions of this contract to insure that applicants are employed and that employees are treated during employment, without regard to their race, color, religion, sex, ancestry, national origin or place of birth. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The contractor or vendor agrees to post in conspicuous places, available to employees and applicants, notices to be provided by the City setting forth the provisions of the non-discrimination clauses.

B. The contractor or vendor shall in all solicitations or advertisements for employees placed by or on behalf of the contractor or vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, ancestry, national origin or place of birth.

C. The contractor or vendor shall send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the City advising the labor union or workers' representative of the contractor's or vendor's commitments and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. The contractor or vendor shall comply with rules, regulations and relevant orders promulgated by the Human Relations Commission, pursuant to its duties created by ordinance.

E. The contractor or vendor shall file and shall cause each of his subcontractors and material suppliers to file compliance reports with the Human Relations Commission as may be directed. Compliance reports shall be filed within such times and shall contain such information as to the practices, policies, programs and employment policies, programs and employment statistics of the contractor, vendor, material supplier or subcontractor and shall be in such form as the Human Relations Commission may prescribe.

F. The contractor or vendor shall furnish all information and reports required by this contract and by the rules, regulations and orders of the Human Relations Commission pursuant hereto and shall permit reasonable access to his books, records and accounts by the Human Relations Commission or its representative, as necessary for purposes of investigation to ascertain compliance with this contract and rules, regulations or orders.

G. In the event of the contractor's or vendor's failure to comply with the equal employment opportunity and affirmative action provisions of this contract, including the affirmative action undertaking outlined in its proposal or with any of the rules, regulations or orders herein referred to, it is agreed that the City at its option, may do any or all of the following:

1. Cancel, terminate or suspend this contract, in whole or in part, except if this contract constitutes a lease of real estate for a period exceeding three years. Nothing herein contained shall prevent the City from enforcing the terms and conditions of any such lease by injunction or other appropriate relief.
2. Declare the contract or vendor ineligible for further City contracts.
3. Recover from the contractor or vendor by setoff against the unpaid portion of the contract price or otherwise pursuant to this contract, the sum of \$50 per day, as liquidated damages and not as a penalty for each day that the contractor or vendor shall fail to comply with these provisions of the contract as determined by the Human Relations Commission in accordance with its rules and regulations, the said sum being fixed and agreed upon by and between the contract and the City because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages which the City would sustain in the event of such a breach of contract and that amount is agreed to be the amount of damages which the City would sustain.
4. Impose such other sanctions as may be imposed by the Human Relations Commission pursuant to ordinances passed by City Council or seek such other remedies as may be provided by law.

H. The contractor or vendor shall include the provision of this contract in every subcontract, so that such provisions shall be binding upon each subcontractor. The contractor or vendor shall take such action with respect to any subcontractors as the Human Relations Commission may direct as a means of enforcing such provisions, including sanctions for non-compliance. However, in the event the contractor or vendor becomes involved in or is threatened with litigation with a subcontractor as a result of such direction by the Human Relations Commission, the contractor or vendor may request the City to enter into such litigation to protect the interests of the City.

EQUAL EMPLOYMENT CLAUSE

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin. The contractor will take affirmative action to ensure that applicants are employed and that the employees are treated during employment without regard to their race, religion, color, sex or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this non-discrimination clause.
- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex or national origin.
- (3) The contractor shall send to each labor union or representative of workers within which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this section and shall post copies of notices in conspicuous places available to employees and applicants for employment.
- (4) The contractor will comply with all provisions of Executive Order 11246 as amended and the rules, regulations and relevant orders of the Secretary of Labor.
- (5) The contractor will furnish all information and reports required by Executive Order 11246 as amended and by rules, regulations and orders of the Secretary of Labor or pursuant hereto and will permit access to his books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- (6) In the event the contractor's non-compliance with the non-discrimination clauses of this contract or with any such rules, regulations or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized by Executive Order 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246, as amended or by rules, regulations or orders of the Secretary of Labor or as otherwise provided by law.
- (7) The contractor will include the provisions of paragraphs 1 through 7 in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 104 of Executive Order 11246, as amended, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions, including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

**CONSTRUCTION CONTRACT SPECIFICATIONS
(EXECUTIVE ORDER 11246)**

1. As used in these specifications:

- a. "Covered Area" means the geographical area described in the solicitation from which this contract resulted;
- b. "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor or any person to whom the Director delegates authority;
- c. "Employer Identification Number" means the federal social security number used on the Employer's Quarterly Federal Tax Return, United States Treasury Department Form 941.
- d. "Minority" includes:
 - (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (ii) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin, regardless of race);
 - (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands); and
 - (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

2. Whenever the contractor or any subcontractor at any tier subcontracts a portion of the work involving any construction trade, he shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

3. If the contractor is participating (pursuant to 41 CFR 60-4.5) in a Hometown Plan approved by the U. S. Department of Labor in the covered area either individually or through an association, his affirmative action obligations on all work in the plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved plan is individually required to comply with his obligations under the EEO clause and to make a good faith effort to achieve each goal under the plan to which he has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved plan does not excuse any covered contractor's or subcontractor's failure to make good faith efforts to achieve the plan goals and timetables.

NOTE:HOMETOWN PLANS ARE NO LONGER SPECIFIED BY THE U.S. DEPARTMENT OF LABOR AND HAVE BEEN REPLACED BY THE DESIGNATION OF "COVERED AREAS."

4. The contractor shall implement the specific affirmative action standards provided in Paragraphs "7a" through "p" of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the contractor should reasonably be able to achieve in each construction trade in which he has employees in the covered area. Covered construction contractors performing construction work in geographical areas where they do not have a federal or federally-assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form and such notices may be obtained from any Office of Federal Contract Compliance Programs or from federal procurement contracting officers. The contractor is expected to make substantially uniform progress in meeting his goals in each craft during the period specified.

5. Neither the provisions of any collective bargaining agreement nor the failure by a union with whom the contractor has a collective bargaining agreement to refer either minorities or women shall excuse the contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

6. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period and the contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

7. The contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the contractor's compliance with these specifications shall be based upon his effort to achieve maximum results from his actions. The contractor shall document these efforts fully and shall implement affirmative action steps at least as extensive as the following:

a. Ensure and maintain a working environment free of harassment, intimidation and coercion at all sites and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each construction project. The contractor shall specifically ensure that all foremen, superintendents and other on-site supervisory personnel are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.

b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or his unions have employment opportunities available, and maintain a record of the organizations' responses.

c. Maintain a current file on the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referrals from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the contractor may have taken.

d. Provide immediate written notification to the Director when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman sent by the contractor or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet his obligations.

e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under "7b" above.

f. Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting his EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

g. Review at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with onsite supervisory personnel such as superintendents, general foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed and disposition of the subject matter.

h. Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

i. Direct his recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, and to minority and female recruitment and training organizations serving the contractor's recruitment area and employment

needs. Not later than one month prior to the date for the acceptance of application for apprenticeship or other training by any recruitment source the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures and tests to be used in the selection process.

j. Encourage present minority and female employees to recruit other minority persons and women and where reasonable, provide after-school, summer and vacation employment to minority and female youth both on the site and in other areas on a contractor's work force.

k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.

l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

m. Ensure that seniority practices, job classifications, work assignments and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment-related activities to ensure that the EEO policy and the contractor's obligations under these specifications are being carried out.

n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

p. Conduct a review, at least annually, of all 'supervisors' adherence to and performances under the contractor's EEO policies and affirmative action obligations.

8. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations ("7a" through "p"). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant may be asserted as fulfilling any one or more of its obligations under "7a" through "p" of these specifications provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female work force participation, makes a good faith effort to meet his individual goals and documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The obligation to comply, however, is the contractor's and failure of such a group to fulfill an obligation shall not be a defense for the contractor's noncompliance.

9. A single goal for minorities and a separate single goal for women have been established (see following notice). The contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner. (For example, even though the contractor has achieved his goals for women generally, the contractor may be in violation of the Executive Order if a specific minority group of women is underutilized.)
10. The contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.
11. The contractor shall not enter into any subcontract with any person or firm debarred from government contracts pursuant to Executive Order 11246.
12. The contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations by the Office of Federal Contract Compliance Programs. Any Contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246 as amended.
13. The contractor in fulfilling his obligations under these specifications shall implement specific affirmative action steps at least as extensive as those standards prescribed in Paragraph "7" of these specifications, so as to achieve maximum results from his efforts to ensure equal employment opportunity. If the contractor fails to comply with the requirements of the Executive Order, the implementing regulations or these specifications, the Director shall proceed in accordance with 41 CFR 60-4.8.
14. The contractor shall designate a responsible official to monitor all employment-related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay and locations at which the work was performed. Records shall be maintained in an easily and understandable and retrievable form; however, to the degree that existing records satisfy this requirements, contractor shall not be required to maintain separate records.
15. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION
TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY
EXECUTIVE ORDER 11246**

1. The Offerer's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate work force in each trade on all construction work in the covered area are as follows:

<u>Time Table</u> Until Further Notice	<u>FEMALE</u> <u>Trade</u> All	<u>Percentage</u> 5% - 10%
<u>Time Table</u> Until Further Notice	<u>MINORITIES</u> <u>Trade</u> All	<u>Percentage</u> 25% - 35%

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area. If the contractor performs construction work in a geographical area located outside of the covered area, he shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the contractor also is subject to the goals for both his federally involved and nonfederally involved construction.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on his implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and his efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of his projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the

Tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the subcontractor, employer identification number of the subcontractor, estimated dollar amount of the subcontract, estimated starting and completion dates of the subcontract and the geographical area in which the subcontract is to be performed.

4. As used in this Notice and in the contract resulting from this solicitation, the "covered area" is Mahoning County.

CITY OF YOUNGSTOWN
MINORITY BUSINESS ENTERPRISE PROGRAM

Policy Statement

- a.) It will be the policy of the City of Youngstown to encourage and increase the participation of businesses, owned and controlled by minorities and females in construction and supply contracts funded by the City. Executive order 11625, Section 6, defines Minority and Female Business Enterprise as follows:

A business enterprise that is owned or controlled by one or more socially or economically disadvantaged person, such disadvantage may arise from cultural, racial, chronic economic circumstances or background or other similar cause. Such persons include, but are not limited to, Negroes, Puerto Ricans, and any other socially and economically disadvantage individuals, Spanish-speaking Americans, American Indians, Eskimos and Aleuts. Federal law and Executive Order 11625 makes it mandatory for state and local governmental agencies receiving federal funds to develop a comprehensive plan to encourage minority and female business enterprise. The City of Youngstown's MFBE plan complies with those federal laws and the presidential proclamation plan.

- b.) To ensure that the City commitments to Minority and Female Business Enterprise are carried out in good faith, the Affirmative Action Office is hereby directed to see that the following actions are taken:

There is prime contractor's compliance with the Minority and Female Business Enterprise program.

- a. This shall consist of, but not limited to, the following:

Require percentage goals for prime contractors with respect to minority subcontracting.

- b. All prime contractors will present for approval by the City's Affirmative Action Office, as a part of their response to bid invitations, a written commitment to utilize Minority and Female Business Enterprise.

- (1) If a contract is awarded, a written commitment to utilize Minority and Female Business Enterprise will be monitored by the Affirmative Action Office.
- (2) If a contractor receives more than one contract to do business with the City, and the nature of each contract is different, the contractor must submit a written commitment for Minority and Female Business Enterprise with each contract.

- (3) Each commitment or affirmative action plan of the various prime contractors shall be reassessed at least yearly to assure compliance with the intent of this Minority and Female Business Enterprise program.
- (4) The prime contractor may request assistance from the City of Youngstown's Affirmative Action Office in preparing their written commitment toward Minority and Female Business Enterprise.

Reporting

The Affirmative Action Coordinator shall submit, along with regular quarterly report, a report describing the activities undertaken toward and progress achieved toward meeting the goals of this Minority and Female Business Enterprise program to the Mayor.

Goals and Timetables

Goals will be based on a range of 15-25% (five (5) years) allowing for social and economic conditions of the total business community, specifically. Any deviation from this format must be justified by the Affirmative Action Coordinator.

September 21, 1980, to September 20, 1985	15%-25%
September 21, 1985, to September 20, 1990	25%-35%
September 21, 1990, to September 20, 1995	25%-35%
Until Further Notice	25%-35%

Goals and Timetables

Women Business Enterprise (WBE):

1985-1990	5%-10%
1990-1995	5%-10%
Until Further Notice	5%-10%

INSTRUCTIONS TO BIDDERS

Minority and Female Business Enterprisers (MBE/FBE) Certification

Only those Minority and Female Business Enterprises (MBE/FBE) certified by the State of Ohio Department of Administrative Services will be eligible for the fulfillment of the MBE/FBE participation goal. MBE/FBE listing may be obtained by searching the State of Ohio's database located at: <http://eodreporting.oit.ohio.gov/searchMBE.aspx>

If an uncertified MBE/FBE elects to compete for the contract, they may do so, but any bid submitted will not be counted towards fulfillment of the FBE/MBE participation goal.

To apply for an MBE/FBE certification contact:

Ohio Department of Administrative Services
4200 Surface Road
Columbus, Ohio 43228
Phone: 614-466-8380
Fax: 614-728-5628
Email: eod@das.ohio.gov

The City of Youngstown, Monitor Assistant Coordinator, Mark D'Apolito, 330.742.8874, mdapolito@cityofyoungstownoh.com is available to assist businesses with MBE, FBE, and EDGE questions.

Upon receipt of an MBE/FBE the Monitor Assistant Coordinator may verify the information with the Ohio Department of Administrative Services.

MBE/FBE Participation Goal

The City of Youngstown encourages contractors to be innovative in their efforts to meet the goal(s) of the MBE/FBE Program.

Bidders who are **subcontracting** work to a Minority or Female Business Enterprisers are required to complete and submit prior to signing of the contract, the Participation Agreement form in Section 6. The **MBE/FBE Subcontractor** to be utilized shall complete the form and submit **prior to the City executing the contract**.

Bidders who **fail to meet** the goal or goals shall submit a completed *Evidence of Good Faith Effort* form in Section 6-12f prior to contract execution to the Monitor Assistant Coordinator.

Must be submitted prior to execution of contract

Good Faith Effort

When the CITY selects the lowest and best bidder, the bidder must submit an MBE/FBE participation agreement which includes contract specific goals. The participation agreement must be submitted prior to the execution of the contract.

Selected Bidders who cannot meet the goal or goals must submit a completed, “**Evidence of Good Faith Effort**” form and the “**Application for Waiver**”.

The “**Evidence of Good Faith Effort**” form describes the evidence of the total efforts made toward meeting the MBE/FBE participation goal or goals and includes, for example, those MBE/FBEs contacted but considered unavailable to provide the goods or services requested by the prime bidder.

Application for Waiver: If the contractor, consultant, supplier, or vendor does not meet the project goal or goals, the bidder or offeror may seek a partial or total waiver of the project goal or goals. The application for waiver of all or part of the project goal or goals shall include full documentary evidence of the bidder’s or offeror’s good faith efforts to meet the project goal or goals and why the request for waiver should be granted. The “**Application For Waiver**” shall be notarized and submitted with the “**Evidence of Good Faith Effort**” form to the MBE/FBE Contract Compliance Monitor prior to execution of the contract. Additional explanation, affidavits, exhibits, or other materials may be required by the MBE/FBE Contract Compliance Monitor to substantiate the request for total or partial waiver of the MBE/FBE goals.

Bidders should contact The MBE/FBE Contract Compliance Monitor immediately for guidance and assistance in the event that:

1. The bidder anticipates or has difficulty in identifying and/or obtaining certified MBE/FBEs for subcontract participation.
2. The bidder is unable to identify portions of the contract that can be subcontracted for participation.

The City may elect not to execute a contract with a Bidder who fails to meet participation goals or obtain a waiver and award the contract to the next lowest and best bidder, if there will be no adverse financial impact on the City, or may elect to reject all bids.

FIRM NAME & ADDRESS	PHONE	CONTACT PERSON	SERVICES / PRODUCTS REQUESTED	DATE CONTACTED	REASON UNAVAILABLE

**24 CFR § 135.38 Section 3 clause.
(Applicable to Contracts in excess of \$200,000.00)**

Current through July 19, 2001

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

SECTION 7**Additional Funding Source Requirements**

<u>DESCRIPTION</u>	<u>PAGES</u>
Energy Conservation, Clean Water Act, Clean Air Act, Civil Rights	7-1
Access to Records, Record Retention, No Federal Obligation, Debarment	7-2
Lobbying	7-3
False Statements, Federal Requirements	7-4

ADDITIONAL FUNDING SOURCE REQUIREMENTS

By signing the Proposal, the Bidder is bound to the following:

Energy Conservation - The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

Clean Water - (1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C: 1251 *et seq* . The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the appropriate EPA Regional Office. (2) The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance.

Clean Air - (1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 *et seq* . The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the appropriate EPA Regional Office. (2) The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance.

Civil Rights – In addition to those provisions set forth in Section 6, the following requirements apply to the underlying contract: (1) Nondiscrimination - In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements the City may issue. (2) Equal Employment Opportunity - The following equal employment opportunity requirements apply to the underlying contract: (a) Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 *et seq* ., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed,

Section 7 (continued)

national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements the City may issue. (b) Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements the City may issue. (c) Disabilities - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing requirements the City may issue. (3) The Contractor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance, modified only if necessary to identify the affected parties.

Access to Records – The Contractor agrees to provide the City, the Federal Granting Agency, the Comptroller General of the United States, or any of their duly authorized representatives, access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

Record Retention – the Contractor will retain all records for three years after the City makes final payment, and all other pending matters are closed, whichever is later.

No Federal Obligation - The Contractor acknowledges and agrees that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract. (2) The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

Debarment – By signing the Proposal, the Bidder certifies to the best of its knowledge and belief, that it and its principals:

- a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

Section 7 (continued)

- b. Have not within a 3-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1b of this certification; and
- d. Have not within a 3-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

Where the Bidder is unable to certify to any of the statements in this certification, such Bidder shall attach an explanation to this proposal

Lobbying (Applicable to all Federal-aid construction contracts - and to all related subcontracts - which exceed \$100,000)

1. The Bidder certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:
No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
4. The prospective bidder also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such recipients shall certify and disclose accordingly

Section 7 (continued)

Fraud and False or Fraudulent Statements or Related Acts - (1) The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §3801 et seq. apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate. (2) The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 on the Contractor, to the extent the Federal Government deems appropriate. (3) The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Federal Requirements - Contractor shall at all times comply with all applicable Federal regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Contract Documents, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

2016 Resurfacing Program

SECTION 8

SUPPLEMENTAL SPECIFICATIONS

DESCRIPTION

PAGES

Supplemental Specification.....8-1 through 8-13

THE FOLLOWING SPECIFICATIONS MODIFY OR FURTHER DEFINE THE GOVERNING SPECIFICATIONS, NAMELY, THE STATE OF OHIO, DEPARTMENT OF TRANSPORTATION, CONSTRUCTION AND MATERIAL SPECIFICATIONS, JANUARY 1, 2013.

SUPPLEMENTAL SPECIFICATIONS

GENERAL REQUIREMENTS

SUBMITTAL OF PROPOSALS

The Contractor shall completely fill in the Bid Proposal (sheets 3-7c thru 3-7f) along with the Total Base Bid Price on sheet 3-7g.

The City of Youngstown reserves the right, prior to the issuance of a Notice to Proceed, to amend and/or make substitutions to the Listing of Streets contained in the Proposal (Pages 3-7h, 3-7i, 3-7j). Such substitutions shall result in no increase to the Bidder's unit price bid for the various proposal items. Payment for all items shall be as measured in place.

INTENT OF PROJECT

This project involves planing and resurfacing of various streets within the City of Youngstown as set forth in the Bid proposal, and in accordance with the State of Ohio, Department of Transportation, Construction and Material Specifications dated January 1, 2013, as well as Supplemental Specifications herein described. The Contractor shall acquaint himself with the requirements of the referenced specifications, special provisions and supplemental specifications. The manner of prosecution and the quality of workmanship and materials shall conform to these referenced specifications in every respect as stated above. The Supplemental Specifications in this section shall further modify O.D.O.T. Construction and Material Specifications as referenced above.

PROJECT LIMITS

The project limits shall be city-wide, and shall include all public rights of way within the corporate limits of the City of Youngstown, and all work areas adjacent to the city limits as may be necessary to conduct the work in accordance with the specifications. The City shall determine and mark the work limits on the individual streets that are included as part of the project prior to the start of construction. The contractor shall adhere to the limits as field marked by the Department of Public Works.

WORK AT INTERSECTIONS

The City's calculation for estimated quantities as shown in the bid proposal includes all intersections and 25 foot taper areas on intersecting streets. All work as deemed necessary and marked by the city on the individual streets, including work within intersections, shall be paid at the respective unit prices for the individual items of bid.

TESTING FACILITIES

Equipped Laboratory as per Item 441.08 shall be provided at Plant Site for use by the Contractor's Quality Control Personnel and the City's "Testing Consultant". The laboratory used must be located at the Plant being used.

SUPPLEMENTAL SPECIFICATIONS (continued)

SAMPLING OF MIX

Sampling of mix shall be at the Asphalt Plant where a ladder or platform shall be located at the truck loading space to permit easy and safe inspection and sampling of the mixture as it is delivered into the trucks.

QUALITY CONTROL TESTS

Quality Control Tests shall be performed by the "Testing Consultants" as per Item 441.09 to control the asphalt concrete mix within the specifications and according to the Contractor's approved QCP.

COMPUTERIZED SCALES WITH PRINTED WEIGHT TICKETS

Computerized Scales with printed weight tickets signed by the Project Representative shall be the only acceptable method for verifying asphalt tonnage. The City may require ten (10) random verification weight slips at a different scale every day. The cost for this random verification (scale fee/trucking time) shall be included in the Unit Price Bid for Item 448 - Type I Asphalt Concrete.

Handwritten tickets **will not be** incorporated in Tabulation of Asphalt Concrete in Place.

CITY TO HIRE CONSULTANTS

"TESTING CONSULTANT"

"INSPECTION AND ADMINISTRATIVE CONSULTANT"

(One Inspector for each Paving Crew)

MAINTAINING TRAFFIC (Item 614)

The Contractor shall maintain traffic throughout the project in accordance with Item 614 of the State of Ohio Specifications.

All Labor, materials, and devices, including but not limited to cones, barrels, signs, flashing arrow panels, and flaggers shall be provided and implemented by the contractor as so directed by the Engineer. All such devices and methods of maintaining traffic shall be in compliance with the "Ohio Manual of Uniform Traffic Control Devices", most current edition and revision.

A minimum of one lane of travel shall be maintained on all streets throughout the project. No street shall be completely closed to traffic for any length of time unless expressly approved in advance by the City of Youngstown Deputy Director of Public Works. Additionally, all butt joints shall be marked with signs depicting appropriate verbiage as per the Ohio Manual of Uniform Traffic Control Devices to indicate irregular road surface conditions (i.e., "BUMP") in both directions of traffic flow.

SUPPLEMENTAL SPECIFICATIONS (continued)

All costs for maintenance of traffic shall be included in the Lump Sum Price Bid for Item 614 Maintaining Traffic.

LAW ENFORCEMENT OFFICER WITH PATROL CAR (Item 614)

This item shall include the Contractor's total cost for providing a Law Enforcement Officer with Patrol Car, in accordance with Item 614. An estimated quantity of forty (40) hours has been carried forth to the Base Bid Proposal for this item. The actual hours used for this item however, shall be as approved by the Engineer. The law Enforcement Officer shall at all times be considered an employee of the Contractor, but shall be implemented and used as directed by the Engineer. The Contractor's utilization of this item does not relieve his/her obligation to furnish all other items required by Item 614 – Maintenance of Traffic. Including but not limited to signs, cones, barrels, flaggers, etc.

For the convenience of prospective bidders, the following individual may be contacted to arrange for the services of off-duty policeman for this purpose:

Youngstown Police Department
Phone: (330) 503-1930

WORK SCHEDULE

The Contractor as part of the requirements of this contract shall submit to the Deputy Director of Public Works, Engineering, a detailed work schedule showing the proposed progression of work. The Engineer shall reserve the right under this contract, if and when deemed necessary by him to cause certain streets, due to volume of traffic on the street and due to the inability to detour traffic, to be resurfaced during the night hours and/or Sundays. Any additional cost of expenses shall be included in the Unit Price Bid for Item 448 - type I Asphalt Concrete and shall not be construed to be additional costs to the City of Youngstown.

AGGREGATES

All aggregates used in the mixture for Item 448 - Type I Asphalt Concrete shall meet all requirements of Item 703.05 of the State of Ohio Specifications. Gradation requirements shall be as per Item 441.02 of the Specifications. In the event the Contractor proposes a combination of material types, the City will provide the initial "testing of materials" to meet the specifications, but if the Contractor elects to change to any additional types of stockpiles, they shall be tested by the City's "Testing Consultant" and the cost of testing, charged to the Contractor. All aggregates utilized in Item 448 – Type I must be from a source approved by the Ohio Department of Transportation. Documentation of source and certification must be submitted for approval to the Engineer. A maximum of 15% of aggregates utilized in Item 448 Type I are permitted to be reclaimed asphalt pavements (RAP).

SUPPLEMENTAL SPECIFICATIONS (continued)

FORM OF INTENT

Bidder shall fill out enclosed form on Page 3-7b, specifying the new material he intends to use for the coarse aggregate for Item 448 - Type I Asphalt Concrete Mix.

JOB MIX FORMULA

The Contractor shall follow the procedure outlined in the Supplemental Specifications to establish the Job Mix Formula (JMF) for Item 448 - Type I Asphalt Concrete, subject to the approval by the City's "Testing Consultant".

PAVEMENT PLANING

Pavement planning shall be in conformance with typical detail drawings as shown on Pages 8-12 and 8-13 of the specifications. The milling operation must be carried to the face of each curb in such a manner as not to cause damage or disturb the existing top of curb grade or alignment. In areas where settlement of pavement has occurred, the average profile is to be carried through settled areas. Various types of pavement composition or a combination of several types of pavement composition shall be removed as necessary to achieve the required profile, at the unit price bid for Item 254 – Pavement Planing. Type 1 or Type 2 milling shall be performed by the contractor at locations as indicated in the proposal at the unit price bid for Item 254-Pavement Planing, as per plan. The milling operations shall conform to details as shown on page 8-12 and 8-13. **The pavement planing operation shall be conducted in such a manner so that not more than 14 consecutive calendar days will elapse between the completion of planing and the beginning of paving operations on any and all streets included in the project.**

All planed material removed under this contract shall be immediately removed from the project site and disposed of by the contractor. The City of Youngstown may retain salvage rights to the planed material not to exceed 100 tons, and may direct the contractor to dump all or a portion of the planed material at a location within the project limits. The contractor shall have salvage rights to all remaining planed material not retained by the City.

All joints at beginning of paving, terminus and intersecting streets shall be butt joints in conformance with ODOT Standard Drawing BP 3.1. All costs associated with providing butt-joints shall be included in Item 448 – Type I Asphalt Concrete.

Planing and milling shall be provided around catch basins so as not to decrease the curb opening when the new asphalt overlay is placed.

SUPPLEMENTAL SPECIFICATIONS (continued)

The Engineer or his representative may at their discretion, increase or decrease these quantities, and add on streets not listed in the proposal with no adjustment to the Unit Price Bid.

Price Bid for Item 254 Pavement Planing as per plan, per square yard, shall include the cost of Planing or Milling abutting drive approaches for an area needed in order to conform with the lowered pavement surface. **Asphalt Contractor shall patch drive approaches to conform to a new finish grade of pavement. Payment for work performed is to be included in Unit Price Bid for Item 448 - Type I Asphalt Concrete.** Contractor shall provide temporary ramps at driveways, as directed by the Engineer, when the paving is not completed the same day.

ADJUSTMENT OF WATERVALVE BOXES TO GRADE

The contractor shall obtain all water valve box risers from the City of Youngstown Water Department Construction Yard located at 160 N. West Ave. Valve lids are also available if required. Risers will be available in sizes of 1", 1 ½", and 2". All raised valve boxes are to be flush with the finished course of asphalt. The contractor shall contact the City of Youngstown Water Department storeroom at 330-884-6004 with a quantity of different sizes that will be required at least two weeks prior to the date that they are needed.

MANHOLES ADJUSTED TO GRADE AFTER PAVEMENT IS RESURFACED

Item 604 Manhole Adjusted to Grade shall be accomplished as shown in the detail drawing on Page 8-11. The adjustment of the casting shall be made after the asphalt overlay work has been performed. This will alleviate any difficulty in adjusting the height of the casting to conform with the new pavement wearing surface. Immediately after paving, the asphalt covering the casting shall be removed to expose the lid. Also, the curb shall be painted to mark the location of the casting. This will aid work crews in locating manholes for adjustment.

The work shall include sealing in accordance with Item 401.17 of all joints between the concrete manhole aprons and the new asphalt surface. The Contractor shall also include in the price bid for Manhole Adjusted to Grade the resetting of up to the first four courses of brick if necessary and as directed by the engineer.

ALTERNATE METHOD – MANHOLE ADJUSTED TO GRADE

The Contractor may deviate from the detail drawing shown on Page 8-11 by using a metal adjusting ring in lieu of the brick and masonry method. If this method is selected by the contractor, all other provisions of the detail drawing shall be complied with. If the alternate method is selected, adjustment still must be accomplished after placement of asphalt surface course. Metal adjustment ring shall be Andrews Metal Products – (AMP-1) or approved equal.

SUPPLEMENTAL SPECIFICATIONS (continued)

NEW MANHOLE CASTINGS

If during the adjustment of manhole castings it is discovered that the existing manhole casting is broken, the contractor shall replace the casting with a new East Jordan Iron Works number 1450 frame and solid lid or equivalent. The contractor shall include the cost of the casting along with any costs to have casting delivered to project site. A separate bid Item will be provided for the above.

The project inspector must approve the replacement of any castings. All broken castings, frames, and lids shall be delivered to the Youngstown Waste Water Treatment plant at 725 Poland Ave. by the contractor.

CONDITIONING EXISTING SURFACE (401.14)

All of this Section shall govern the workmanship for the project and in addition shall include the following:

Immediately prior to the application of the tack coat in preparation for the asphaltic concrete surface, the Contractor shall clean and sweep (power broom and hand broom, as needed) the existing surface of all leaves, dirt, mud, vegetation, water, or other foreign material, subject to the approval of the Deputy Director of Public Works or his Representative. All potholes shall be cleaned, freed from water (dry), tacked, patched, and compacted w/Item 448 Type I asphalt concrete prior to paving. The cost of conditioning the existing surface is to be included in the cubic yards cost of Item 448 - type I Asphalt Concrete Surface Course.

In the event that a leveling course of asphalt is deemed necessary by the Deputy Director of Public Works or its Representative, the Contractor shall perform the necessary work as directed by the Engineer. Payment will be made under **Item 448-Type 1 Asphalt Concrete Leveling Course**. The City will pay under this item only when the Contractor is directed to perform the work by the City or its representative. **Incidental patching of potholes shall be included in the cost of Item 448-Type 1 Asphalt Concrete Surface Course.**

All utility manholes, gas valves or other fixtures in the streets will be raised to proper grade by the Owner of such fixtures. The Contractor shall take all precautions and extreme care to protect these fixtures after they have been set to proper grade so as not to damage or break them by careless operation of rollers or other equipment. If by such careless operation of rollers or other equipment, he should damage or displace any such fixtures; he shall restore the same at his own expense or reimburse the Owner for such replacement.

TACK COAT (407)

A tack coat shall be applied to all of the existing pavements whether asphalt, brick or concrete. **The rate of application shall be 0.10 gallon per square yard and it shall be done under the direction of the Engineer or his Representative. *Payment for the tack coat shall be included in the Unit Price Bid per cubic yard of Asphalt Concrete Surface Course, Item 448 - Type I Asphalt Concrete.***

SUPPLEMENTAL SPECIFICATIONS (continued)

SPREADING AND FINISHING (401.15)

All streets to be resurfaced shall consist of a 1-1/2" asphalt surface course. A tack coat shall be applied and one overlay of asphaltic concrete of sufficient thickness to result in a finished thickness of 1-1/2" after compaction. All materials shall be paid for at the Unit Price Bid per cubic yard of asphalt Concrete, Item 448 - Type I Asphalt Concrete. **All driveways and intersections shall be finished to conform to the finished grade according to the Engineer's satisfaction. Paving around all catch basins shall be accomplished to avoid decreasing the curb opening.** In the event it is determined that a scratch course of asphalt is necessary prior to the application of the wearing surface, the thickness of the scratch coarse shall be deducted from the thickness of the wearing coarse so that a uniform 1-1/2" coarse of asphalt is applied.

ROLLING AND COMPACTION

Rolling and Compaction procedures shall meet the Specifications as outlined in O.D.O.T. Specifications, Sections 401.13 and 401.16 respectively.

DRIVEWAYS

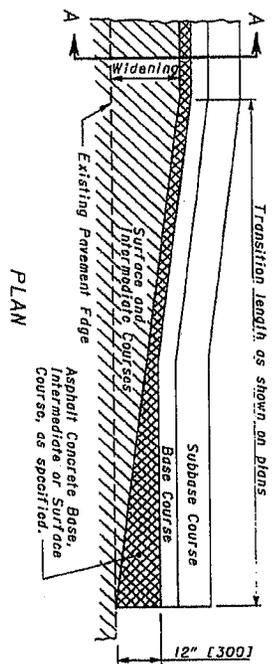

All costs encountered in the repairing of drive approaches, whether gravel, slag, asphalt, concrete or any other material, from the planing and resurfacing operation will be included in the Unit Price Bid for Item 448 - Type I Asphalt Concrete. Contractor must maintain the integrity of the gutter drainage at all driveways to avoid ponding and to assist runoff.

SEALING OF JOINTS (401.17)

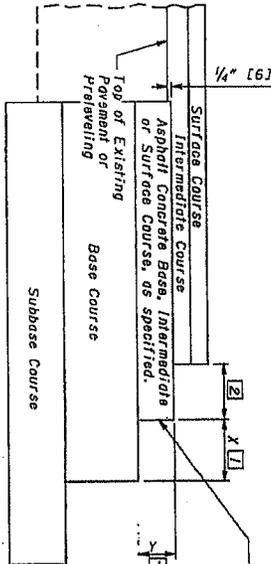

This Item shall be applied as specified in Section 401.17. All edges of new paving abutting existing asphalt, concrete, or brick construction shall be sealed. Whenever new pavement edges are sealed through an intersection or through driveway entrances, No. 10 slag or sand shall be applied over the seal material. **This Item shall be included in the Unit Price Bid per cubic yard of Item 448 - Type I Asphalt Concrete and govern streets resurfaced through the project.**

MERGING EDGE OF PAVEMENT WIDENING WITH EDGE OF EXISTING PAVEMENT

COURSE DETAIL FOR WIDENING

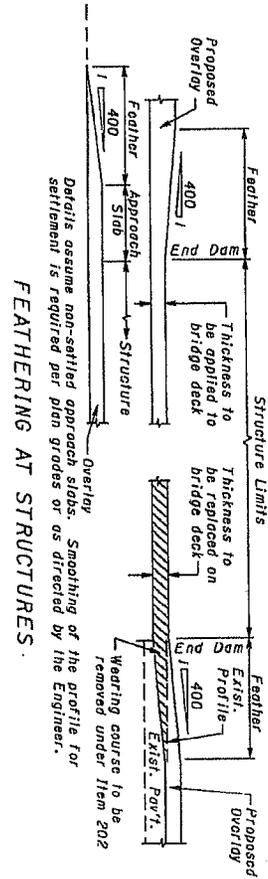

LAPPING LONGITUDINAL JOINTS

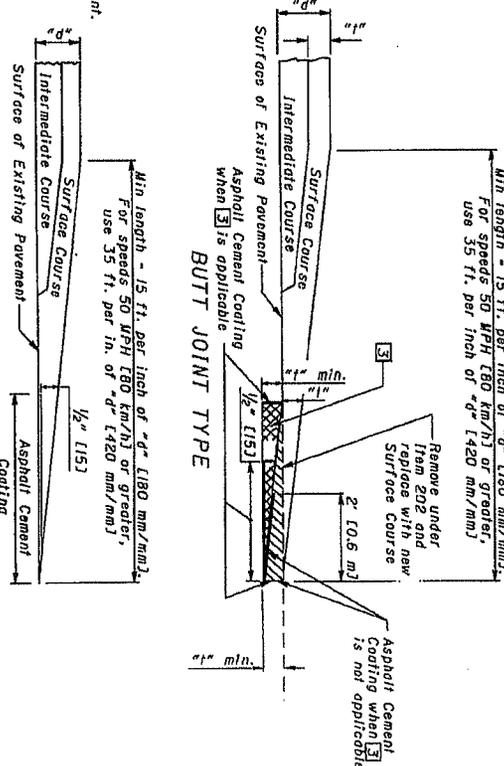

The Asphalt Concrete in the upper part of the base or subbase course shall be equal to the depth (Y) of the existing pavement where no prelevelling is used. Where a prelevelling (using intermediate course material) is specified it shall be placed prior to excavation of the widening trench and the upper course extended 1/4" [6.3] above the prelevelling.

LEGEND

- 1 The extended width (X) of a base or subbase course shall be equal to the thickness of the surface course plus the intermediate course, or 4 inches [100], whichever is greater, or as shown on the plans.
- 2 The extended width shall be equal to the thickness of the surface course plus the intermediate course, or 4 inches [100], whichever is greater.
- 3 Permissible removal and replacement.

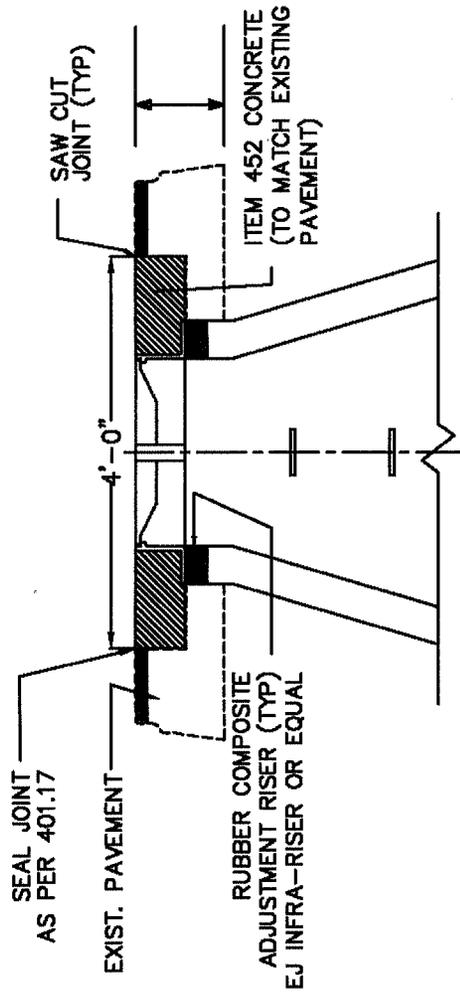

FEATHERING AT STRUCTURES.

ITEM 253. PAVEMENT REPAIR. AS PER PLAN.

A QUANTITY OF THIS ITEM SHALL BE PROVIDED FOR USE AS DIRECTED BY THE ENGINEER. THIS ITEM SHALL CONSIST OF CUTTING AND REMOVING DETERIORATED PAVEMENT FULL DEPTH AND PLACING 12" ± 301 ASPHALT CONCRETE BASE, PG 64-22. THE MAXIMUM COMPACTED DEPTH OF ANY ONE LAYER SHALL BE 6 INCHES. UNLESS OTHERWISE DIRECTED BY THE ENGINEER, THIS ITEM SHALL BE PERFORMED AFTER THE COMPLETION OF MAINLINE PAVEMENT PLANING. ALSO, THIS ITEM SHALL COMMENCE WITHIN 7 DAYS OF THE COMPLETION OF MAINLINE PAVEMENT PLANING. THE ENGINEER SHALL DETERMINE WHICH AREAS TO BE REPAIRED. PAYMENT SHALL BE BASED ON THE ACTUAL NUMBER OF SQUARE YARDS OF PAVEMENT REMOVED AND REPLACED TO THE LIMITS DESIGNATED BY THE ENGINEER. THIS WORK SHALL BE PAID UNDER ITEM 253 - PAVEMENT REPAIR, AS PER PLAN, AS DIRECTED.
